

Subject: Questions To Ask Before Purchasing A Sauna

Hello (First Name),

If you're working with a homeowner to install a luxury custom sauna for a new or existing home, you want to be well-informed. Our goal at Diamond Fitness is to help you complete your projects successfully and efficiently, so we came up with a list of questions you may want to ask before you begin.

Q: How simple is your ordering process?

A: It's easy. You can call us for a quote toll-free at 1-800-966-7758, or email us at sales@diamondfitness.com

Mention your discount code, and get 20% off your purchase.

Q: What types of saunas do you carry?

A: We've teamed up with Finlandia and Helo, two of the world's top sauna manufacturers, to offer a wide range of traditional, infrared and combination saunas, including:

- Customized precut sauna packages to fit any size room.
- Portable, modular prefab saunas that can be taken apart and moved to another location.

- Heaters that provide the most dependable heat and humidity.

Q: How can I find out which product best meets the needs of my homeowners?

A: Our team would be happy to advise you on the best solution for each home. We can provide a complimentary detailed plan that includes layouts and product specification to your satisfaction.

Q: Do you install these saunas?

A: Yes. Diamond Fitness is the leading installer of saunas in Texas. Our technicians are factory trained, and provide full-service installation. We'll even register your equipment with the manufacturer on the homeowner's behalf for warranty enforcement.

Q: Once a homeowner decides on a particular sauna, what's the next step?

A: Just call us toll-free at 1-800-966-7758, or email us at sales@diamondfitness.com

Your complete satisfaction is our top priority.

Sincerely,

Pat Sparks

Owner
